Eagle Rock Entertainment

A live **Phil Collins** concert recorded in 2004 in Montreux, Switzerland is hitting Blu-ray on March 27. The 25-song performance captures Phil performing essentially every one of his solo hits, from "In the Air Tonight" and "I Missed Again," to "Take Me Home," "Against All Odds," "Sussudio" and "Don't Lose My Number," to "Another Day in Paradise," "You'll Be in My Heart" and "Can't Stop Loving You."

But wait, there's more. The DVD also includes 13 songs from Phil's appearance in Montreux in 1996, during which he performed with his Phil Collins Big Band. That set of songs features a guest appearance by **Tony Bennett**, as well as Phil's takes on **Genesis** songs like "That's

All," "Invisible Touch" and the classic instrumental "Los Endos," which dates all the way back to 1976.
