

Vintage Guitar[®]

July 2010

JOAN ARMATRADING, *Steppin' Out* (Eagle Rock Entertainment) A 1980 performance for German television, Rick Hirsh and Richard Belke are wonderful on guitar, Richie Hayward is as good as always on drums, and Armatrading adds fine playing to her early songs. The camera work and sound are excellent throughout. A highlight is the criminally underrated "Love and Affection." — **JH**
