Eagle Rock Entertainment To Release

STATUS QUO: *PICTURES LIVE AT MONTREUX* 2009

~On DVD October 27, 2009~

New York, NY (October 15, 2009)—On October 27, **Eagle Rock Entertainment** will add another gem to its stunning **Montreux** collection when **Status Quo's *Pictures: Live At Montreux 2009*** is released on DVD [pre-book order date October 7, MSRP \$14.98].

Status Quo's album *Pictures* (released in November 2008) celebrated 40 years of the band filling the UK charts with hit after hit. The album was an instant success, charting at #8 and selling over a quarter of a million copies in the UK alone. In July 2009, the *Pictures* live tour landed at **Montreux** in Switzerland as part of the world famous festival.

When **Status Quo** hit the stage, the usually reserved Swiss crowd knew they were in for a treat. Led as always by the twin telecasters of **Francis Rossi** and **Rick Parfitt**, they deliver a blistering set of hits and classic tracks from across their career including no less than 18 UK Top 20 hits. This *Pictures* tour set list has been hailed by many as the band's best ever. Commemorating the 40-year celebration of the band, huge screens behind the stage illustrated high points from **Quo's** career. Exclusive interviews filmed backstage at **Montreux** with the always entertaining **Rossi** and **Parfitt** are included as bonus features.

Status Quo is one of Britain's most cherished and influential bands. With this DVD coming hot on the heels of their new CD *In Search Of The Fourth Chord* (released stateside via **Eagle Rock** on September 15, 2009), ***Pictures: Live At Montreux*** is live and loud and serves as a timely reminder of what the **Quo** legacy is built on.
