**Eagle Rock Entertainment To Release**

## **MARILLION *LESS IS MORE* CD**

~New Studio Album Released December 8, 2009~

New York, NY (October 28, 2009)—For 23 years, UK progressive maestros **Marillion** have built a solid career crafting unique and thought-provoking music. On December 8, **Eagle Rock Entertainment** will release their latest studio album ***Less Is More*** [MSRP \$13.98].

A band with an abundant musical history, ***Less Is More*** is an acoustic re-creation of their vast back catalogue. These eleven stripped down tracks, accentuated by soaring melodies and haunting rhythms, evoke a listening experience that is deeply moving and powerful.

*LESS IS MORE*

Considered to be one of the founding bands of Neo-Progressive rock, **Marillion** finalized their line-up in 1988 with charismatic lead singer **Steve Hogarth** (formally of **The Europeans**). Joined by guitarist **Steve Rothery**, keyboardist **Mark Kelly**, bassist **Pete Trewavas** and drummer **Ian Mosley**, **Marillion** consistently defy preconceptions and dodge trendy labels. Having released nine studio albums, some of which have been released on their own label **Intact**, UK's *Classic Rock Magazine* has deemed the band “*an enduring and undervalued treasure.*”

Forever expanding their parameters, **Marillion** has constantly reinvigorated and redefined themselves, and ***Less Is More*** is a continuation of this process. Additionally, **Eagle Rock** will release a new album from **Steve Rothery's** side project **Wishing Tree** – digitally November 24, and in stores January 19.

**Eagle Rock Entertainment** is an international media production and distribution company operating across audiovisual entertainment programming. **Eagle Rock Entertainment** works directly alongside talent to produce the highest quality programming output covering film, general entertainment and
