Eagle Releases Another *Picture-Perfect* Blu-ray

STATUS QUO: *PICTURES – LIVE AT MONTREUX* 2009

~Now in High Definition On January 19~

New York, NY (November 11, 2009)—UK hit-makers **Status Quo** have enjoyed success in 2009 with **Eagle Rock Entertainment's** releases of studio album *In Search Of The Fourth Chord* (September 15) and *Pictures: Live at Montreux* (October 27) on DVD. In 2010, **Eagle** will now make **Quo's** music available to the Blu-ray market, when ***Pictures: Live at Montreux*** is released on January 19. [pre-book order date December 23, MSRP \$24.98].

This concert, filmed in July 2009 at the famed **Montreux Jazz Festival**, was part of the tour supporting the release of their album *Pictures* (released November 2008). It was truly a time worth celebrating, as the band were enjoying a 40-year anniversary and the instant success of *Pictures*, which charted #8 and sold over a quarter of a million copies in the UK alone.

Frying up some delicious pop riffage on their duel Telecasters, guitarists/vocalists **Francis Rossi** and **Rick Parfitt** led band members **Andrew Bown** (keyboard, guitars, vocals), **John "Rhino" Edwards** (bass guitar, vocals), and **Matthew Letley** (drums, percussion) through a set list hailed as the band's best ever. With a career garnering no less than 18 UK Top 20 hits, the band's success was echoed via the large screens behind him, which illustrated high points in **Status Quo's** four-decade history.

This stunning release will kick off **Eagle's** Blu-ray catalogue for 2010. Previous releases include high definition performances from **Marilyn Manson**, **Carlos Santana**, **Earth, Wind & Fire**, **Billy Idol**, **Eminem**, and **Toto**, among others.
