New York, NY (March 14, 2022)—Embarking on their first ever world tour, **The Police** journeyed through six continents in 1979 and 1980. Capturing behind-the-scenes footage and candid personal moments as the band explores new terrain, ***The Police: Around The World Restored & Expanded*** displays the beginning of their meteoric rise to worldwide fame.

A poignant snapshot of this pivotal moment in their career, ***The Police: Around The World Restored & Expanded*** blends footage of the band performing live with intimate footage of **Sting**, **Andy Summers**, and **Stewart Copeland** exploring Japan, Hong Kong, Australia, India, Egypt, Greece, France, South America, and the US. The band was filmed on and off stage as they visited local monuments, tasted foreign cuisines, and organically grew a global fanbase.

On **May 20, 2022**, **Mercury Studios** presents ***The Police: Around The World Restored & Expanded*** on DVD+CD, Blu-ray+CD, and DVD+LP (pressed on silver vinyl). Originally available on VHS and laserdisc, the film is being presented on DVD and Blu-ray for the first time, with restored picture and remastered audio, as well as complete performances of four bonus songs featured in the documentary.

Additionally, ***The Police: Around The World Restored & Expanded*** includes never-before-released live audio on CD and LP. Boasting songs from their first two albums recorded in Japan, Hong Kong, and England, it showcases **The Police** playing with a frenzy and passion that would soon make them the biggest band in the world.

At the same time, the British band were enjoying their first chart success in the UK with “Roxanne” and “Message In A Bottle”. They were young, hungry, and ready to break big. As **Andy Summers** enthuses in the liner notes, *“Like Napoleon, we wanted the world. Out of the messy and fervent atmosphere in London at that time we conceived the idea to go all around the world and film the whole adventure. As far as we knew no rock band, at least, had ever done that. We had just about enough popularity to get booked around the globe. Plans were made.”*

And the rest is history...beautifully captured in ***The Police: Around The World Restored & Expanded***.
